## Leaf Sentry allows gutters to do what they're designed to do: Drain water.

Leaf Sentry has been successfully guarding thousands of homes across the country, protecting gutters from extreme weather conditions.

- **Innovative nose-forward design is the most effective clog-preventing product on the market today**
- **Makes use of surface tension to channel rainwater into the gutter, while leaves, sticks and other debris are prevented from clogging the gutter**
- **Attaches securely to your gutters for a permanent solution**
- **Made of 98% recycled aluminum**
- **Backed by a lifetime manufacturer's warranty**
- **Available in 16 colors and copper**

### The Leaf Sentry Guarantee

When properly installed, you will never have a gutter or downspout clog again...EVER! We're so confident, we guarantee your gutters will remain clog-free for their lifetime.
